Mr Jake Whatley
602 S. Hall St.
Montgomery Ala.

Dear Mr Whatley:

Please pardon my delay in answering your letters,
but I have been out of town a lot, and very busy.

First of all I wish to extend my welcome to you to
baseball, but would like to say in passing it is
not all peaches and cream, but most people in it
develop a sincere likeing for it.

You asked about the possibilities of The Eagles
coming to Montgomery for an exibition game during
our training season. Write me right back, and let
me know what terms you offer. We have not arranged
our schedule as yet, and there is a possibility we
may be in your heighborhood. Let me know what dates
you would be able to play us.

I will appreciate an answer right away, as I must
decide where I am going to play in the next few days.

I hope you have a successful season.

Very Truly Yours

PS. You asked about some ballplayers coming to your
town to play. The men in our league are getting such
high salaries today, Ifdpahtwould be interested in
trying to hire any of them. I am sure there are a lot
of boys down your way, but it will take a while to
get a good team together.
